## Note from the Pastor

### I was a Stranger and You Welcomed Me

“Red Rover, Red Rover, let Rosita come over.” Do you remember the game? You formed a line (a border, a boundary, a fence if you will) locking arms together as Rosita rushed towards you. Your job was to keep her from getting in. Her job was to break through the barrier. If she didn’t get in, she had to go back. But once she was in she was one of us and then she could lock arms and shout with the rest of us, “Red Rover, Red Rover, let Bobby come over.” And the game went on. But it’s not a game. It’s a way of life. It’s how my son and 80% of my Parish in Kankakee got here.

In 1989 I went to Mexico to learn Spanish. In 1990, I returned to become Pastor of St. Teresa Parish in Kankakee. Utterly unprepared on my first Sunday there, I looked over a crowd of young Mexican immigrants hungry to be safe. And the Church seemed to them the safest place in town. Unlike most congregations, the majority of this one were young, single men between the ages of 18 and 22. Most of them were clearly in culture shock in a new world, being bus boys and farm workers and whatever needed to be done just to survive. My work was to make them feel at home, to make them feel at least a little safe. No one at St. Teresa was going to turn them in to the *migra* (the Immigration Service).

That was in 1990. Here we are 23 years later and the majority of those who came in during that great migration are still looking over their shoulder. Most are worse off now than they were then. In those days it was kind of a wink-wink, win-win situation for everyone involved. It was a combination of osmosis and social Darwinism. They, the *mojados* (the wet ones), like osmosis moved from an area from high concentration to an area of low concentration (from old Mexico to New Mexico) through a semi-permeable membrane, *la frontera* (the boarder). It was a Darwinistic in that only the strong and most capable survived (survival of the fittest). Those who came here chose to leave everything behind and like our Father in faith, Abraham, sojourned in a land they knew not where. And like the iconic Boll Weevil, they came from Mexico just “lookin’ for a home.” Looking for a better

way of life and a way to feed their families back in the Old Country. And it worked. They got jobs and employers got good, cheap labor and didn’t have to pay their half of the Social Security Tax and Uncle Sam got tax money that the immigrants would never be able to collect. And a legal Driver’s License was as easy as buying a *tarjeta* (fake Social Security Card) on *Calle 26* (26<sup>th</sup> Street in Chicago). Our little church worked diligently making sure they all had an I.T.I.N. (a government issued number so they could pay their federal taxes). I continually warned them that it is one thing to look over your shoulder at the INS but you never want to get in trouble with the IRS. The vast majority paid their taxes. Why? They wanted to get in. They wanted a better life. I often told those who complained about immigrants that if they were in Mexico, given their own intelligence and desire to take care of the needs of their family, guess where they’d be? Here! Migration and immigration is coded in the human DNA. If you don’t believe me, ask your grandparents and great-grandparents. Mine came from Sicily and Calabria WithOut Papers (Hence, the derogatory term WOPS. By the way, Dago came from the bastard son of Columbus, Diego, of whom all Italians are related.) Truth be told, none of our ancestors were all that welcomed into this great land of ours. The Irish who escaped the potato famine constantly saw signs that said, “Irish need not apply.” And of the indigenous people we found here? And the Africans that we dragged here? Oh dear, oh dear!

One of my favorite opening lines was that of Franklin Delano Roosevelt’s to the Daughters of the American Revolution. FDR looked over the DAR and said, “Fellow immigrants!” And that they are. So how are we to treat them? If we take seriously our faith tradition and the teaching of Moses, the Prophets and the Master the answer is evident and easy. We treat them like the brothers and sisters they are.

Right now before Congress there is a Comprehensive Immigration Reform Act proposed. The Senate has already passed it. While not perfect, it does provide a path to citizenship while at the same time securing our borders (although there is nothing semi-permeable about a concrete slab). It is by no means a perfect bill but at least it is a compassionate beginning. What is to be our Christian response? Put the emphasis on “Christian” and you know the answer.

### THANK YOU FROM SISTER BRIDGET ZANIN!

On behalf of the Mission Sisters of the Sacred Heart of Jesus, I wish to thank you and the parishioners of Mary Queen of Heaven for their generous donations totaling \$4,331.65. It was an honor for me to speak about the charism and work of our founder St. France Xavier Cabrini.

Today the Missionary Sister of the Sacred Heart and their lay collaborators are blessed with a special unity of spirit which binds us together in a common mission: to be "bearers of the love of Christ to the world." Because of your generosity we will be able to provide assistance and support to our Ethiopian Missions.

## ATTENTION BUSINESS OWNERS, PROFESSIONALS AND SELF EMPLOYED

Liturgical Publications Inc (LPi), our Bulletin publisher, will have Jean Swaya our Bulletin representative visiting our Church within the next few weeks to service our Bulletin. We would like to thank our present advertisers for renewing their ad and thereby continuing their support of our Church. **For those interested in placing a new ad, this is your opportunity.**

Our Bulletin is a primary way we use to communicate with you. Through our arrangement with the Liturgical Publications Inc, the Church does not pay for the Bulletin printing, which saves us thousands of dollars every year. Our Bulletin is supported through the generosity of the advertisers—many of whom are our own Church parishioners or members of our local community. During these difficult economic times, please support our advertisers with your patronage. Tell the business owner that you appreciate their support of our Church through their advertising in the Bulletin. This is one small way we can work within our own community to weather these challenging times. ***A strong and vibrant Bulletin is good for our community and a strong business community is good for our Church.***

As an added bonus, LPi has recently formed an advertisers buying group of 100,000+ businesses called LPi Family. Advertisers now can save more than the cost of an ad in buying group savings. Membership in the LPi Family buying group is **FREE** to all of our advertisers. To learn more about how **LPi Family** can reward you for being our advertiser please check out their website at [www.4LPi.com/family](http://www.4LPi.com/family).

To obtain information about advertising for the new publication year, please contact the Church office or call Jean Swaya directly @ 1-800-950-9952 ext. 2651. Keep in mind; our advertising sponsors make the Bulletin possible.

## Religious Education and Preschool News

### RELIGIOUS EDUCATION NEWS

The opening event of the MQH RE 2013/2014 year is September 11 at 6:30 p.m. in Church for parents and children in grades 1-7. Our first class session is September 18 for Grades 1-7. The opening event for our Confirmation Prep students is September 25<sup>th</sup> in Church at 6:45 p.m. We extend a huge thank you to all of you wonderful men & women and young people who stepped forward to help. However, we are still in need of a few catechists and aides. We cannot start our program without you.

#### Are you called to be a catechist??

If you have ever considered being a catechist, now is the time to put that call into action. Why? This is a top ten list of reasons why:

- ◆ The best way to learn is to teach.
- ◆ Your own faith will come alive.
- ◆ You become an active participant in one of the essential responsibilities of a Church community.
- ◆ You assist in bringing Christ to others.
- ◆ You practice stewardship.
- ◆ You show your own family that you value the faith.
- ◆ You become a role model.
- ◆ Being a catechist brings joy.
- ◆ Catechesis is fundamental.
- ◆ The children of Mary Queen need you.

Consider joining our team of dedicated men and women just like yourself who weekly share their Faith with the young people of the parish. Help our children to get to know our God.

All sessions meet on Wednesdays. Please bear in mind because of the size of our program we have almost 500 children and over 100 volunteer adults including 70 catechist and aide positions to fill. We are blessed by the number of people who come forward to help. However, we must fill all of our catechist positions before class starts. If you can help, please call the REO today. We do not want to disappoint our children. Remember those classes still in need of catechists will not start on time. Be sure to check with the office if you have a child in one of the classes that are still in need of a catechist.

The following are those grade levels where you are needed:

<b>3:15 p.m. Session</b>	Grade 1 - 1 catechist Grade 2 - 1 aide Grade 3 - 2 co-catechists
<b>6:45 p.m. Session</b>	Grade 6 - 1 co-catechist

#### Have you registered yet?

We are accepting RE Registrations for those classes where space is still available. **Some classes are at capacity.**

- ◆ **At 3:15 Grades 2 and 4 are closed**
- ◆ **At 5:15 Grades 4 and 7 are closed.**

Home schooling is an option for those closed classes. If you are opting to home school your children this year, remember that you must register in the program. **Please bear in mind we do not process registrations the week of September 15.**

**For more information on any of the above, please contact the REO, (630) 832-8962 or email at [mqhmawoods@sbcglobal.net](mailto:mqhmawoods@sbcglobal.net).**

The teachers were in the classrooms from Aug. 19-23 getting everything ready for our children. School will begin on Aug. 26.
